Dear Parents,

Thank you for allowing us the opportunity to minister to your children. We have had a great year thus far and look forward to the days ahead.

We hope you all had a wonderful Christmas and Happy New Year. We will be introducing a "Pete the Cat Phonics Box" to help kids recognize sounds. Every Wednesday, we will have your student bring in a toy with the letter sound we are studying.

We pray everyone stays well during this flu season. We are doing our part by keeping hands washed and noses wiped!

Thanks,

Mrs. Robin

Mrs. Ashley

MISSIONS IN ACTION

"Even a child is known by his doings..." Proverbs 20:11

Last month, we went Christmas Caroling to a few of our Homebound members. The kids did a wonderful job singing and reciting their Bible verses. We visited Kim Bean and Bill Zimmerman. We also used our mission offering to buy an Angel Tree gift for Lola at the Children's Home. Thank you so very much for your support. The kids love to give! I attached a picture of the Power of Grace Children's Home in Cambodia, enjoying their present from our MDO on Christmas Day at the Waterpark. What a blessing!

THANKS!

A big thank you to Pastor David Sampson for treating us with the Bounce House for our Christmas Party. The kids loved it and had a wonderful time! It was nice to reward them for being such willing, giving vessels for the LORD!

BIBLE VERSES

They have done great hiding God's Word in their hearts. We will be sending memory verse cards home each week. We will be getting back in a routine now that all the holidays are over.
